

1. Highlight text you want changed
 2. Press **CONTROL+E** on a pc, (or **COMMAND+E** on a mac) to open the **FORM FIELD TEXT PROPPERTIES** Menu Bar shown above
 3. On Menu Bar, click **MORE** - this will bring a MENU BOX.
 4. Click on the **COLOR** box. This is where you will change the font color ... Either by, typing the the RGB or HEX color numbers you want to use...OR...
 5. Click on the **EYE DROPPER**... this will bring up a magnified circle, which allows you to choose any of the colors in your printable...
- And as you can see I have chosen the darker blue in the dinosaur.
6. **TO SET THE COLOR** you've chosen click on the **RED DOT BUTTON** at the top of the COLOR menu box. This will close the COLOR menu box, and set the text color.
 7. When you click outside the text block area you will see your text has changed to the color you've chosen.
- Repeat these steps on all the text you that you want to change colors on.
